PROFIX

Reliable mowing technique

Profix is a well-known company specialised in manufacturing the highest quality of:

- ▶ Rapeseed extensions
- ▶ Side knives
- ▶ Mounting kits
- ▶ Header trailers

We offer rapeseed extensions for different types of combine harvesters. The cascade profile of the working floor and the proper tilt of the side knives guaranty the most effective technology of rapeseed harvesting. The side knives have hydraulic or electrical 12/24V driver. The side knives are also used to cut reed, currant and trim branches, hedges or other plants.

Several years of experience and the highest quality of our products have contributed to our success on foreign markets as well.

Our clients receive 2-year warranty.
